

PRIZE CATCH . . . Chris Iwal can talk about this one until he has grandchildren to sit on his knee. It is a beautiful trout he caught on the first Torrance YMCA week-end camp trip this year, and a lot of the older fishing buffs are understandably envious of his skill.

First of YMCA's Summer Camping Excursions Leave for Backwoods

Summer vacation truly began last week-end for on Saturday morning at 6 the first of 12 Torrance YMCA camps departed for holiday adventures. Twenty-five boys and eight counselors are visiting Bryce, Zion, and Grand Canyon on a nine-day camping excursion. Their major activities will be sightseeing, hiking and swimming.

During the long tour, the men and boys will have a chance to backpack from the North to the South Rim of the Grand Canyon. They will camp overnight at famed Phantom Ranch. Others in the group will visit the Navajo Indians of northern Arizona.

ON SUNDAY, the second Torrance "Y" group departed for a High Sierra Base Camp in Jackass Meadows near Florence Lake. U.S. Marine Stanley Ellis is accompanying this group to teach the boys outdoor skills from fire-building to survival techniques. The primary activities will be fishing, visiting scores of backcountry lakes, hiking, swimming, and singing around the campfire each night.

Next on the busy YMCA summer schedule is a Grand Teton Tour for boys 13 and older. This two week trip will include mountaineering classes in the beautiful Rockies of Wyoming. The boys will camp along the Snake River, Jackson Lake, Idaho Falls, and the Craters of the Moon.

AND TORRANCE girls are also invited to attend local YMCA camps and caravans. From July 16 to 23, girls 12 and older may travel up the coast to visit Santa Barbara, Staff.

San Simeon, Big Sur Redwoods, Carmel, Monterey, and then conclude with a visit to Yosemite National Park.

Younger boys and girls from Torrance, Lomita and Riviera may go to YMCA Camps Round Meadow or Mozumdar from August 6 to 13. During that week, kids from 9 to 12 will swim, shoot bows and arrows, make nature crafts, ride horses, hike, learn about the Indians, and enjoy a full eight days of outdoor adventure. Both the boys and the girls sessions will be directed by the local professional YMCA staff.

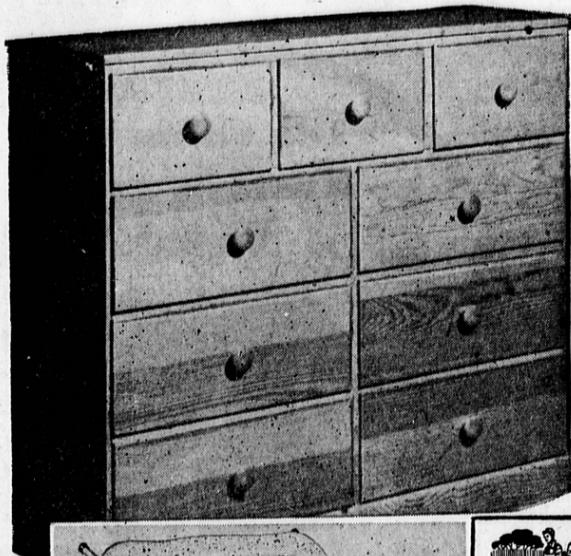

TWO BACKPACK hikes are slated for boys 14 and older along sections of the John Muir Trail in the High Sierras. On each trip, the boys will go on their own steam for a firsthand view of the scenic grandeur of the great wilderness region.

Boys and girls have now sold over 800 cases of peanuts in order to help earn their own way to YMCA Camp. In addition, some children have already received campership grants from the Torrance Lions Club to enable them to spend a memorable vacation in the mountains with the "Y".

REV. GILBERT Zimmerman, chairman of the YMCA Camp Committee, announced that additional staff members have been appointed for the heavy camping and recreational schedule: Penny Thomas and Fred Griffin have been named to direct the YMCA Trampoline and Tumbling Classes; Jack Breglio, Clemens Rybacki, and Douglas Hoffman were named to the Older Boys Camping Staff.
